Frontend Developer

REACT | TYPESCRIPT | NEXT.JS| VUE.JS |WORDPRESS

I'm a Frontend Developer proficient in React, TypeScript, and Next.js, with a strong foundation in JavaScript, CSS, Tailwind and Sass, dedicated to creating immersive and responsive user experiences.

WORK EXPERIENCE

Martza Tech - *Sliema, Malta*   10/01/2025

At MartzTech I've been creating innovative software solutions with WordPress and Next.js, helping businesses elevate their digital presence through modern, user-centered development.

Self employed - *Swieqi, Malta*   18/06/2023

Built responsive user interfaces and full-stack solutions for various clients using React.js, Next.js, TypeScript, and Tailwind CSS. Projects ranged from landing pages to full systems for client management, improving user engagement and boosting business performance.
